

SYMPOSIUM

MANAGEMENT OF CANCERS OF THE ESOPHAGUS AND ESOPHAGOGASTRIC JUNCTION

Thursday, May 29, 2008

Gordon & Leslie Diamond Health
Care Centre - Auditorium
2775 Laurel Street
Vancouver, B.C.

0730 - 1630

Sponsored by:

British Columbia Cancer Agency
University of British Columbia:
Division of Thoracic Surgery
Division of Radiation Oncology
Division of Medical Oncology
Division of Gastroenterology

Supported by:

AstraZeneca
Ethicon
Pfizer
Roche
Sanofi Aventis

MORNING SESSION

- 0730-0800: **REGISTRATION**
(refreshments provided)
- 0800-0815: **WELCOME/INTRODUCTION**
Dr. Richard Finley
- CHAIR:** Dr. John Yee
- 0815-0845: **EPIDEMIOLOGY, MOLECULAR BIOLOGY AND PREVENTION OF ESOPHAGEAL CANCER** – *Dr. Alan Casson*
- 0845-0900: **QUALITY OF LIFE & ESOPHAGEAL CANCER PATIENTS**
– *Joanne Clifton, MSc*
- 0900-0945: **MANAGEMENT OF DYSPLASIA AND EARLY CANCER IN BARRETT'S ESOPHAGUS**
- Surveillance, Endoscopic Diagnosis, Staging and the Role of Endoscopic Mucosal Resection – *Dr. Rob Enns*
 - Role of Photodynamic Therapy – *Dr. Alan Weiss*
 - The Role of Esophagectomy – *Dr. John Yee*
- 0945-1015: **ASSESSING RESECTABILITY**
- The Role of CT/PET – *Dr. Don Wilson*
 - The Surgeon's Perspective – *Dr. John Yee*
- 1015-1035 **REFRESHMENT BREAK** *(provided)*
- CHAIR :** Dr. Christian Kollmansberger
- 10:35-1215: **MANAGEMENT OF POTENTIALLY RESECTABLE CANCERS OF THE ESOPHAGUS AND ESOPHAGOGASTRIC JUNCTION**
- Which Patients Should Have Neo-adjuvant Chemotherapy? – *Dr. Florian Lordick*
 - Which Patients Should Have Neo-adjuvant Chemoradiotherapy? *Dr. Mark Orringer*

(cont'd.) →

- Which Patients Should Have Primary Surgery? *Dr. Mo Quadri*
- Which Patients Should Have Postoperative Adjuvant Therapy? *Dr. Sharlene Gill*

1215-1315 **LUNCH** *(provided)*

AFTERNOON SESSION

CHAIR : Dr. John Hay

1315-1415: **SURGICAL RESECTION**

- Transhiatal Esophagectomy Is The Safest And Most Effective Operation – *Dr. Mark Orringer*
- Transthoracic Esophagectomy Is The Safest And Most Effective Operation – *Dr. Alan Casson*
- Role Of Minimally Invasive Esophagectomy – *Dr. Richard Finley*

1415-15:00: **MANAGEMENT OF NON-RESECTABLE CANCERS**

- Chemotherapy – *Dr. Florian Lordick*
- Radiation Therapy – *Dr. John Hay*
- Stents, PDA And Laser Therapy – *Dr. Alan Weiss*

15:00-1520 **REFRESHMENTS** *(provided)*

1520-1630: **CHAIR :** Dr. Richard Finley

CASE PRESENTATIONS

- Management of Adenocarcinoma of the Cardia and Lower Esophagus
- Squamous Cell Cancer of the Mid-Esophagus

– *Dr. Mark Orringer, Dr. Florian Lordick, Dr. John Hay, Dr. Sharlene Gill, Dr. Alan Casson*

INVITED SPEAKERS:

• Mark Orringer, M.D.
Head, Division of Thoracic Surgery
Department of Surgery
University of Michigan Medical Centre
Ann Arbor, Michigan, USA

• Florian Lordick, MD, PhD
National Center for Tumor Diseases
Department of Medical Oncology
University of Heidelberg
Heidelberg, Germany

• Alan Casson, M.D.
Professor and Head
Department of Surgery
University of Saskatchewan
Saskatoon, Canada

LOCAL FACULTY:

British Columbia Cancer Agency:
Dr. Don Wilson

Division of Radiation Oncology:
Dr. John Hay

Division of Medical Oncology:
Dr. Sharlene Gill

Dr. Christian Kollmansberger

Division of Thoracic Surgery:
Dr. Richard Finley

Dr. John Yee

Dr. Mo Quadri

Dr. Ken Evans

Division of Gastroenterology:
Dr. Rob Enns

Dr. Alan Weiss

HOTEL INFORMATION:

Rooms are being held in the name of UBC Department of Surgery. To reserve a room, please contact the hotel. Rate is guaranteed for reservations made prior to April 1, 2008:

Deluxe Room \$ 145.00 single/double occupancy
\$ 15.00 additional person

Superior Room \$ 175.00 single/double occupancy
\$ 15.00 additional person

Executive Club \$ 195.00 single/double occupancy
\$ 15.00 additional person

*Holiday Inn
711 West Broadway
Vancouver, B.C.,
Tel: (604) 879-0511*

LEARNING OBJECTIVES

1. Understand the epidemiology and molecular biology of esophageal cancer
2. Understand the importance of assessing quality of life for patients with esophageal cancer
3. Understand the management of dysplasia and early cancer in Barrett's esophagus
4. Understand the issues related to assessing resectability;
5. Understand the role of adjuvant therapy and surgical resection
6. Understand the management of non-resectable cancers of the esophagus.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada. This program has been reviewed and approved by UBC Division of Continuing Professional Development and Knowledge Translation.

REGISTRATION FORM

SYMPOSIUM

Management Of Barrett's Esophagus
And Esophagogastric Junction
Thursday, May 29, 2008

**Registration Fee: \$100 (Faculty);
\$25 (Residents/Nurses/Students)**

Name: _____

Address: _____

City: _____ Postal Code: _____

Phone: _____ Fax: _____

Email: _____

Institution/Affiliation: _____

Department/Division: _____

PLEASE MAKE CHEQUES PAYABLE TO:

UBC DEPARTMENT OF SURGERY

Mail to:

Joanne Clifton
910 West 10th Avenue, 3rd Floor
Vancouver, B.C. V5Z 4E3
Canada
